

The Greater Lowell Workforce Investment Board

Training Vendors

Greater Lowell Area

Version 5, January 2015

The Greater Lowell Workforce Investment Board (GLWIB) is one of 16 Workforce Boards throughout Massachusetts servicing the communities of Billerica, Chelmsford, Dracut, Lowell, Tewksbury, Tyngsboro, Dunstable and Westford. We are charged with overseeing and implementing workforce development initiatives throughout the Workforce Investment Area. Board members offer a wide range of skills and experience and include representatives from local businesses, educational Institutions, community based organizations, labor unions, governmental agencies, economic development bodies, and Chambers of Commerce.

The Greater Lowell Workforce Investment Board oversees a wide range of workforce development activities, representing a multitude of federal and state funding streams. These include Youth, Adult and Dislocated Worker programs funded by the Workforce Investment Act (WIA); The Career Center of Lowell; School to Career Initiatives; DOE Adult Basic Education Activities; The Workforce Training Fund; and other specially funded workforce development activities.

The Greater Lowell WIB and Career Center of Lowell are allotted WIA, State, and other sources of funding annually to offer occupational skills training to customers who meet the eligibility requirements. The following directory includes training vendors that are from our Service Delivery Area (SDA) and listed in TrainingPro; vendors that have contractual agreements with the GLWIB/Career Center of Lowell and may be outside of our SDA; and technical high schools located in the Greater Lowell region.

The Greater Lowell Training Vendors Asset Map outlines vendors in the region under the following categories:

Healthcare/Life Sciences  
Information Technology  
Construction/Transportation  
Manufacturing  
Miscellaneous

# Healthcare/Life Sciences

### **3 Dimensions Health Services, LLC**
