Executive Summary of the Fiscal Year 2017 Workforce Development Operational Plan

I. INTRODUCTION

The Greater Lowell Workforce Development Board (GLWDB), in partnership with the Chief Elected Official (CEO), Kevin Murphy, Manager, City of Lowell, is responsible for developing an Annual Plan for Fiscal Year 2017 (FY17) and submitting the plan to the Massachusetts Department of Career Services. Local Workforce Development Boards, through the annual planning process, must assure that effective service and positive outcomes remain the overarching goal for all local providers and that quality is not compromised in the wake of challenges posed to the workforce system.

In Fall 2014 the GLWDB developed a new two year strategic plan covering 2015-2016. A comprehensive strategic planning process which included Board members established a plan for the GLWDB to be business driven, manage labor market cycles to drive decision making, and bridge the gap between employer needs and skills available in the local workforce. The plan also outlines the goals, objectives, and action steps required to ensure that the Greater Lowell Workforce Development Board is the leader of local workforce solutions.

The GLWDB will continue strong collaboration with its partners to maximize regional resources and sharing of best practices for effective service delivery in support of our goals as we transition to full implementation of the new Workforce Innovation and Opportunity Act (WIOA).

- Goal #1: Meet regional employer needs for a skilled workforce
- Goal #2: Connect job seekers to competitive wage employment
- Goal #3: Support successful youth entry into career pathways and post-secondary credential programs
- Goal #4: Continue to maintain strong WDB operations

Interested parties are encouraged to submit written comments on the Executive Summary to the Greater Lowell Workforce Development Board by August 5, 2016. The two-part plan focuses on (1) budget and projected service levels and (2) narrative. Copies of the plan may be obtained by contacting the Gail Brown at gail.brown@glwdb.org.
