

Our Annual Employer Appreciation Breakfast was held on September 8th, 2017 at Lenzi's Restaurant. The GLWDB holds this event annually to thank employers for participating in the Connecting Activities Program. Many employers attend our job fairs, student workshops, television promotions and employ our students.

This year, three Tewksbury High School students Stephanie Tam, Felicia Ragucci and Catherine Butler spoke about their internship experience in the STEM Program at Thermo Fisher Company.

Our 2017 Employer of the Year was Robert Howard, Heritage Farm Ice Cream Restaurant, for their outstanding commitment to the Connecting Activities Program and youth employment throughout the year.

We also recognized the following employer's who have participated in student workshops, television promotions and employ our students:

2017 Award for Excellence

Maureen Fitzpatrick - Lowell General Hospital

Tess Shatzer - Lowell National Historical Park

Vichtcha Kong - Washington Bank

Kerilynne O'Brien - TJ Maxx
